After completing your 'Make A Difference Day' literacy project, report your results to Altrusa International by using the form below. We must receive your project report by November 8. Altrusa International will compile your entries as one group report for the make A Difference Day contest. USA Weekend Magazine, the Points of Light Foundation, the Paul Newman Foundation and a panel of celebrity judges will select the best projects to receive grants from the Paul Newman Foundation. USA

Weekend requires all entries to be received by November 15th. In order to compile all club projects into an effective Altrusa report, we need them by November 8. NO EXCEPTIONS.

Also, International will NOT enter non-literacy projects. Much of the appeal that Altrusa held for USA Weekend was that all of our projects were literacy-related. If you wish to do a Make A Difference Day project that is not related to literacy, then you may enter your club project separately through the USA Weekend web site.
