

Affiliate Membership Form

Affiliate Membership is an important way to be an active Altrusa member when there is no chartered club near you. There are three basic groups of members who become Affiliates:

- The first are members whose clubs have disbanded or members who have moved away from an active club but still wish to remain Altrusans.
- The second group consists of members of Clubs in Development that have not yet achieved Charter Strength but whose members wish to wear an Altrusa pin and be active members as they continue to build toward Charter Strength.
- The third category is any individual meeting Altrusa's standards who is not located near a club but wishes to be an active Altrusa member and to participate in Altrusa's charitable mission.

Please complete this form and return it with your International and District Dues to your District Governor. After approving your Affiliate Membership, your International dues will be forwarded to Altrusa International.

- International Dues for 2005-2006 are \$45 US
